

NRA BASICS OF PISTOL SHOOTING COURSE

(Anthony Wilson is an NRA Certified Pistol Instructor.)

This is a very fun and educational course which is great for new and experienced shooters. You will receive your own copy of the NRA's *Guide to the Basics of Pistol Shooting* handbook, And a certificate of completion. The shooting portion of the class is done with pleasant shooting .22LR pistols in order to guarantee proper fundamentals without fear of recoil. Plus, you will have the opportunity to participate in the Winchester/NRA Marksmanship Program. Here are some of the class topics:

- ❖ Firearm Safety
- ❖ Firearm Storage/Maintenance
- ❖ Firearm Parts/Operation
- ❖ Proper Shooting Fundamentals
- ❖ Ammunition Parts/ Operation
- ❖ Purchasing a Firearm

❖ Special Sample Segment- You get to shoot various handguns of different action types in .38S&W, .357MAG , 9mm Luger, .40S&W, .45ACP, .44MAG , and even a Taurus Judge in .410 (shot shell) to compare various features, styles, fit, and recoil. IT'S TONS OF FUN!!!!!!!!!!!!!! (This sampler segment is not always attached to each offering of the class. See the specific course flyer for full details.)
