

# NRA BASICS OF PERSONAL PROTECTION IN THE HOME

(Anthony Wilson is an NRA Certified Personal Protection In the Home Instructor.)

This advanced pistol course is absolutely critical for adults who keep or carry a gun for self-defense purposes. Participants who complete the course will receive a copy of the NRA's *Guide to the Basics of Personal Protection In the Home* handbook, a certificate of completion, and a rocker patch. The shooting portion of the class is done with your own pistol in order to develop your defensive handgun skills with your actual defensive handgun. Here are some of the class topics:

- ❖ Intro to Defensive Shooting
- ❖ Firearms & the Law
- ❖ Home Safety Strategies
- ❖ Responding to a Violent Confrontation
- ❖ Selecting a Defensive Handgun
- ❖ Training Opportunities
- ❖ Live-Fire Defensive Exercises:
  - Breaking Tunnel Vision
  - Flash Sight Picture
  - Firing Accelerated Shots
  - Use of Cover & Concealment
  - Standing/Kneeling Positions
  - Moving to Cover
  - Point Shooting
  - Verbal Challenge Drills

**Course Length:** 12 hours (8 hours classroom, 4 hours range time)

**Course Cost:** \$125/person plus 150 rounds of ammunition

**Maximum Class Size:** 10 participants

**Note:** It is recommended that participants use their own handgun, but class guns will be available for those who need them. Also, eye & ear protection will be available for those who need it. Clothing should be weather-appropriate and suitable for outdoor range conditions. Participants should bring at least one extra magazine for semi-auto pistols, and speed loaders are recommended for revolvers.
