

Mississippi Enhanced Permit Certification Course

(Anthony Wilson is a MS Department of Public Safety Certified Enhanced Permit Instructor.)

This course is designed to meet the state requirements for the “Enhanced” endorsement on the Mississippi Firearm Permit. The shooting portion of the class includes a brief instructional session with some practice targets as well as a shooting qualification with shots fired from 3 yards and 7 yards. Here are some of the class topics:

- ❖ Firearm Safety
- ❖ Safe Handling of Pistols & Revolvers
- ❖ Shooting Fundamentals
- ❖ Defensive Shooting Concepts
- ❖ Live-fire shooting exercises
- ❖ Mississippi Firearm/Defense Laws

Course Length: 8 hours

Tuition: \$100/person

Equipment to Bring: At least one working handgun, 150 rounds of ammunition, eye & ear protection, water bottle, close-toe shoes, hat.

Note: We highly recommend that participants successfully complete an NRA Basics of Pistol Course or a USCCA Fundamentals of Pistol Shooting Course before attending the Enhanced endorsement certification course.
